The Details are as follows:

See Incident Reports 93-7714 and 93-7796 and attached field reports for basic information.

Received information that there had been a possible sexual abuse involving two sixteen year old males and an eighteen year old male at the Pratt Ranch. When I arrived, I met with Dave Pratt, Sharon Church, Robert Bratcher (H & W Juvenile Justice Coordinator) and Jim Puett (H & W State Licensing Bureau). These individuals briefed me on what facts and information that they had available. I was informed that [REDACTED] had disclosed to Pratt that himself and Menges had been involved, sexually, and that possibly [REDACTED] may have also been involved. Bratcher and Puett briefed me on what possibilities that they had for Menges, if the charges were valid; basically they had no place to house him. After gathering what information that I could, I departed to 11900 Liberty Road, Canyon House, with the purpose of interviewing the three males.

Upon my arrival at Canyon House, I was met by Leigh Dean; the house supervisor. She provided me with what information that she had, which was

that Menges had told her that the charges were true and that he was worried about going to jail.

I then began my interviews with [REDACTED]. After introducing myself and talking with him a few moments, I asked him to relate to me what exactly had happened between himself, [REDACTED] and Menges. He said that himself and Severns had had sex twice, both time in the downstairs bedroom. He continued, saying that the sex was nothing more than "jerking each other off." He said that the first time was just after Halloween and the second time was the following night. He said that the first night, [REDACTED] tried to have anal sex with him; but it hurt so he made [REDACTED] quit. He also said that [REDACTED] had asked him to "suck him off" but he had refused. He continued talking about Menges. He said that the first time was about a week later, and it had started when Menges had suggested that he "let it hang out." He said that himself and Menges had "jerked each other off" twice. Once in the hallway near the heater and the second time in the downstairs bedroom. He said that these were the only sexual encounters that he had had with either of the two individuals. I asked and he agreed to provide me with a written statement.

I next interviewed [REDACTED]. After introducing myself and talking with him for a few moments, I asked him to relate to me what exactly had happened between himself, [REDACTED] and Menges. He said that he had fondled/jacked off [REDACTED] twice, just before or just after Thanksgiving. He said that this had taken place downstairs in the bedroom. He said that he had attempted anal sex on [REDACTED], but had quit when [REDACTED] complained that it hurt. He said that he had asked [REDACTED] to suck him off, but [REDACTED] had refused. He continued on talking about Menges. He said that there had been four times; 12/04/93, 12/07/93, 12/14/93 and 12/19/93. He said that he wasn't exactly sure of the dates, but that they were pretty close. He said that they had "jerked each other off" four times, he had performed oral sex on Menges twice, Menges had performed oral sex on him four times, and each had tried anal sex on the other once. He said that it had been Menges idea for the oral sex, but they both had decided to try the anal sex. He said that he had probably started most of the contact. I asked and he agreed to provide me with a written statement.

I next interviewed Randy Menges. After introducing myself and talking with him for a few moments, I asked him to relate to me what exactly had happened between himself, [REDACTED] and [REDACTED]. He said that he and [REDACTED] had jacked each other off twice and that he had tried oral sex on [REDACTED] but had quit because he didn't like it. He continued talking about [REDACTED] once, He said that himself and [REDACTED] had had sex four times. The first time, [REDACTED] had been [REDACTED] idea and that they had just jacked each other off, and after they were done; he didn't want to do it again but [REDACTED] threatened to tell Dave Pratt in they didn't. Menges said that there were three more incidents of sex with [REDACTED]; three of which involved him giving Severns oral sex, once [REDACTED] gave him oral sex, and they both participated in anal sex once. He said that the last incident was on 12/14/93. I asked and Menges agreed to provide me with a written statement. Additionally; Menges was informed of his rights and signed a rights waiver prior to the interview.

After the interview, I transported Menges to the Main Pratt Ranch so that Dave Pratt could take him to a Doctors appointment. I also had the GCSO dispatcher contact Doug Varie to determine if there was enough evidence to place Menges into custody. The dispatcher, after talking with Varie, informed me to prepare the report and that he would take it from there.

I prepared summary for forwarding to the PA for his necessary action(s).

Time Finished \_\_\_\_\_

Dated this 28th day of December, 1992

Group 8-22-93

Randy - knew was wrong but kept on doing -  
happened because locked up for so long.  
[redacted] & [redacted] first. [redacted] told Randy

[redacted] - talking about anything and then to say.  
had sex willingly with [redacted] first. Did  
sex with Randy before he moved in with him.

Randy - Was not why he suggested [redacted] move in with him.  
He & [redacted] have only done it twice.

Randy & [redacted] - 4 times  
once after Polygraph with [redacted] - (12/14)  
[redacted] says there have not been any sex since.

He & [redacted] 2 times

He & Randy - 2 times

[redacted] - He & Randy - 4 times

He & [redacted] - 2 times

Randy - has ended - feels guilty about  
this - did not about Shaun - he wants  
it all to go away and to get out of here.

[redacted] - first time sex with others on the ranch. - <sup>maybe he</sup> feels guilty  
(but doesn't act it)

he could be in a lot of trouble if anyone ever found out. He took it as a threat as though [REDACTED] would tell if Randy didn't do what he wanted.

Randy is scared, and should be. He knows it was wrong, but could not say no.

Rich D.  
Campy's Home Parent

[REDACTED] - made him feel good at the time - feels bad now cause he knew he shouldn't have done it. does not think it right because he was taught it was wrong. Really don't think about it when it happens.

Randy - When say subject comes up - gets aroused. since he has been confined for over a year. Not like he is doing it with children. Say he has stopped because of Fox and his Christian influence. Knows he put himself into the situation. Knows Dave hates him and will get [REDACTED] or [REDACTED] to press charges. Was worried that someone would find out and Fox & Leigh would find out what he has done.

[REDACTED] - glad to have it all out in the open.

During this group I watched each one - [REDACTED] was passive, [REDACTED] didn't have much to say when confronted, did get defensive when I asked them if this was going on before [REDACTED] came to Canyon House. The answer from [REDACTED] & Randy was "No." I find it very interesting that [REDACTED] has been very vocal about how much he hates Randy and yet he has had sex with Randy. I
